SUPERIOR SADIST

BY GODDESS SEVERINA

"Church Lady"

At first, I wasn't sure if she was serious or not when she had called me three separate times to inquire about the sort of punishments that I give. She told me that she had done something wrong and that she needed to be punished for it. We finally arranged a meeting, and she showed up on time. She was a small, meek, and mousy-looking lady, demonstrating little sense of vanity. She had short hair, was modestly dressed, and wore no jewelry. I told her to have a seat, so we could discuss what her interests were again.

She proceeded to explain to me that she had done something very wrong in her church congregation and it had cost the preacher his job and nearly caused him a divorce. She told me at first that she had appreciated his affections and the attention, but that as time went on, it got more serious. She felt severe guilt about this every time that she attended church, which was three to four times weekly. She told me that when she was younger, her parents would spank her for things that she had done wrong. She was hoping that she could achieve that sense of forgiveness within herself by receiving a spanking from me.

I agreed that I would do this with her, yet we would still need to incorporate safety words, since I was unsure of her sincerity, not to mention her limits. I walked her in to one of the rooms and bent her over the rack. Since it seemed to be more of a voluntary punishment on her part, I didn't restrain her. I lifted up her dress and pulled down her nylons. I told her to count and apologize every time that I spanked her.

"She told me that when she was younger, her parents would spank her for things that she had done wrong. She was hoping that she could achieve that sense of forgiveness within herself by receiving a spanking from me."

The spanking started out slow and methodical with a light leather paddle. Already, her butt was turning quite red. Realizing how sensitive her skin was, I moved up to a wooden paddle sooner than I normally would have and only applied an additional ten swats to her rear end. She was extremely apologetic for the things that she had done, and her face was now beet-red. It matched the color of her rear end quite nicely.

About a month later, she gave me a call again. She told me that she had been lying to a few people and that she needed to be punished for it. Once again, she arrived on time, was dressed modestly, and this time had a list with her of all the things that she had done wrong. It was nothing major...just little things, such as lying to the bus driver, lying to her mother...what most people would consider white lies, even. Despite this, they seemed to upset her and she had incurred great guilt for it...a guilt she from which she needed release. She told me that she had felt absolved of guilt as a result of our first spanking session.

I told her to read off the list that she had brought with her and that I would give the number of spankings that each "offense" deserved. Since all of these things seemed to be relatively small errors to me, I had to focus on her reaction to each one of her "sins." I listened to the tone of voice and read her facial expressions as she detailed each item. I could tell the ones that she felt the most guilty about, and those earned her ten swats. She received two to five swats for the ones that she didn't think were really relevant.

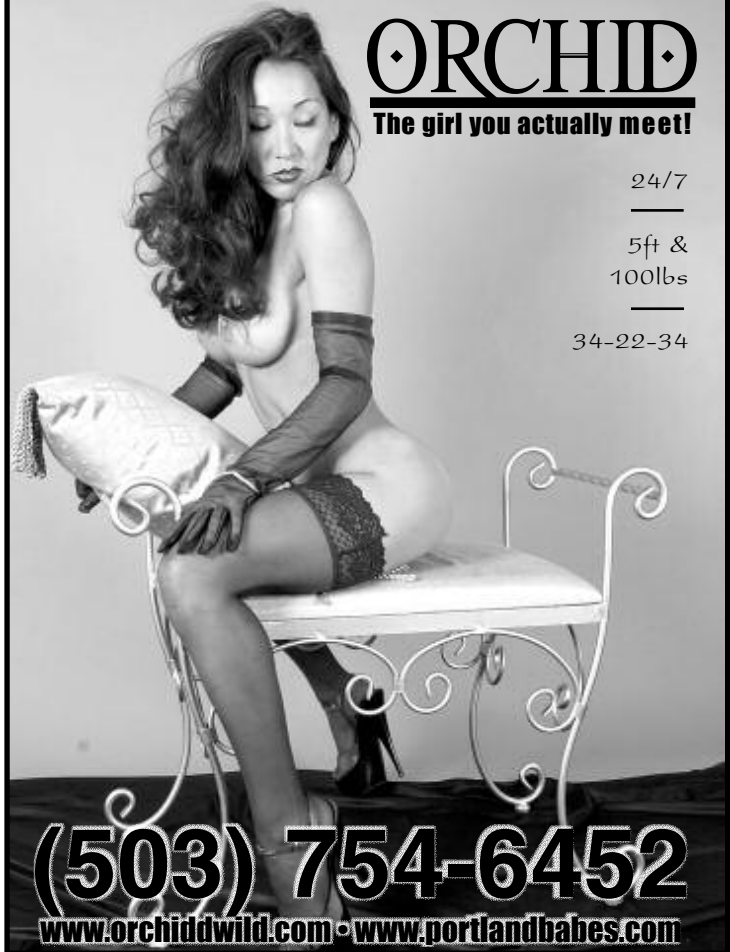

By the time that she was done reading the list off to me, she was up to fifty-three swats. Once again, I brought her in to a separate room and bent her over the rack and proceeded to spank her, this time with the "teacher's" wooden paddle. Once again, her butt became extremely red, even though I wasn't even using a third of my strength with the paddle against her skin.

On her way out the door, she thanked me once again for helping her to release her guilt in the same way that she had as a little girl.

Anything Goes

Hey there, this is Kora. I'm a curious 19 year old that loves to explore sex. When my parents are away I use their house to have parties that usually end up as orgies. I have never been with an older man or woman but I am very eager to try. Box #966534

Hi, this is Brittany. I am 5'11" and have been a runway model for three years. I am a fun, spontaneous, party girl that never has time to explore my sexuality. I love men that are into my legs and feet. I constantly get pedicures. I am looking for a man that can take care of my feet. I would love to model pantyhose, thigh-high stockings with garters, and open toe stilettos for the right man. If you can get into this call me, Brittany. I am willing to try anything once. Box #429393

My name is Shelly and I have five piercings, I know that's a lot but when I got one I just couldn't stop it was so addictive. I can't lie about it my sex life is so much better. I hope you have some too because I just know they feel so good and I know you like it. I want someone who doesn't think I'm a freak and will play with my piercings because they make me cum so hard. Box #503078

My name is KiKi and I just love to have sex. I am bisexual and I like women who have piercings, because I have one on my clit and I love to show it off. I want a girl who is sexy and fun and it doesn't have to be just sex. We can hang out and go shopping together too. So if you like me so far leave me a message and I don't mind if you have a boyfriend because I have one too but we are not getting along right now. Box #503562

I want a sexy man who has tattoos because it just looks so good to me. I have nine tattoos all over my body and I have a big butt so the one I have on the bottom of my back looks really nice. I just love when you paint me all over with body chocolate and trace it with your tongue. I know I am kinky but it's not so bad because I don't like anything painful I just like to feel good so that's pretty cool. Box #704429

My name is Rachel and I just got over a break up so I want to have a totally different relationship. I am dominant and would love a guy or girl, the more the merrier to have phone fun or something really hot in person. I just like to have choices and having both always makes my pussy wet. I am an average looking blonde with blue eyes but I have a nice ass. Box #639648

I am Mistress Felicia. I prefer to speak with obedient slaves no matter what gender. I love to feminize masculine men and the thought of a hot sexy woman's body at my mercy and beckon

call excites me like no other. Give me a call and perhaps I'll give you a chance to submit to the best. Box #534174
